

## **Metchosin Club**

BGC South Vancouver Island's Mission is to provide safe, supportive places where children, youth and families experience opportunity, overcome barriers, develop skills, positive relationships and confidence for successfully leading their lives and communities. We provide social, recreational and developmental services to children, youth and their families that support all aspects of our Mission.

The Agency supports practice through a trauma-informed lens, placing a priority on participant safety, choice, and self-determination. Our programs are approved by the Commission on Accreditation of Rehabilitation Facilities (CARF).

## **Position Summary**

Under the direct supervision of the Professional Practice Coordinator, the Child & Youth Care Worker is responsible for relationship-building and behavior management for children and youth within our licensed group child care programs for children 6-12 years of age. The Child & Youth Care Worker is also responsible for group facilitation and implementing predetermined programs while complying with licensing standards, CARF accreditation standards and Agency policies and procedures. The Child & Youth Care Worker is responsible for applying Agency Values in program and service delivery and throughout the fulfillment of position responsibilities. The Agency supports practice through a trauma-informed lens, placing priority on participant, safety, choice, empowerment and skill development.

## **Duties and Responsibilities**

- Implements structured, creative, and developmentally-appropriate programs
- Utilizes behaviour and learning strategies that are individualized to fit the participant needs and abilities based on their Care Plans
- Understands, promotes and adheres to site and program-specific boundaries and expectations of behaviour and conduct, licensing regulations, CARF, Agency policies, protocols, procedures, and industry standards of practice
- Facilitates participant engagement in daily program activities
- Communicates changes in participant behaviours, including the delivery and implementation of Care Plans
- Develops and implements program-specific expectations
- Employs preventative strategies and uses a strength-based approach when interacting with participants
- Actively engages and role models positive behaviours when leading activities
- Utilizes learning theory approach (visual, verbal and tactile/experiential) when interacting with participants
- Provides direct supervision and sets healthy boundaries including physical, environmental, emotional, psychological, and social to ensure participants safety
- Contributes to the implementation and/or development of innovative age-appropriate programs
- Develops an Individual Care Plan which supports family involvement, as needed
- Assists with overseeing all daily operations in designated program area
- Participates in program evaluations and surveys as directed by the Supervisor
- Adheres to Program and Agency Covid-19 Health & Safety Protocols
- Role models and promotes clear, consistent, professional communication and relationship-building among staff, parents/guardians and other community professionals
- Liaises between staff, families, Supervisor and other internal Agency contacts when necessary for resource referrals
- Implements appropriate protocols and procedures when conflict arises within the staff team, supervisor, participants, and/or families

## Qualifications

- Relevant Post-Secondary Degree in Recreation, Education, Child & Youth Care, Social Work or equivalent combination of education and experience
- Minimum of 20 hours of training or courses in one of the following areas: child development, guidance, health and safety, or nutrition
- Minimum one year experience working with children and youth ages 5-12 (camp or licensed child care setting an asset)
- Positive Behavior Support Knowledge
- Demonstrated ability to implement daily activities and events for children in an exciting and engaging manner
- Demonstrated experience in relationship building and working with diverse family systems
- Ability to effectively communicate within a team setting
- Current First Aid & CPR C certification, mandatory
- Class 4 Driver's License (within 3 months of hire)
- Successful Criminal Record Check Clearance
- This position requires double COVID-19 vaccination
