

Are you a business professional who wants to find a meaningful place to volunteer? Would you like to use your expertise to help shape the future of an organization that works tirelessly every day to positively impact the lives of children and youth? Are you forward-thinking and current in the business world with an interest in bringing Corporate Social Responsibility to life? Do you have a burning desire to share that expertise with an organization that is hungry to learn and embrace it?

Then, BGCSVI is looking for you...

We are one of the largest and most responsive youth serving organizations in Canada, dedicated to the healthy physical, educational and social development of young people. Our Mission is to provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life. Our programs are learning and skills development focused, building on the strengths of each child and youth so we can help them reach their full potential with confidence and competence for life.

This is an exciting time for BGC South Vancouver Island as we continue to grow and evolve our Agency brand and build heightened awareness of the impact of our programs and services within our community. As a Director of the Board with expertise in broad private sector business, you will play a vital role in setting policy decisions, advancing our strategic plan and acting as an ambassador for the Club. The Board is structured as a governance board and operates with a number of Board committees, with each Director participating on at least one Board committee. You will contribute your experience, professional expertise and creative, outside-the-box thinking to help the Agency achieve its Mission, strategic goals and long-term planning and visioning beyond 2023.
