

Are you a certified professional accountant who wants to find a meaningful place to volunteer? Would you like to use your expertise to help shape the future of an organization that works tirelessly every day to positively impact the lives of children, youth and families? Are you forward-thinking and current in the world today? Are you passionate about using your capacity for financial analysis for positive impact and interested in sharing that expertise with a not-for-profit organization that is eager to embrace it?

Then, BGC South Vancouver Island is looking for you...

Our Mission is to provide a safe, supportive place where children, youth and families can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life. We are one of the largest and most responsive youth-serving organizations in Canada, dedicated to the healthy physical, educational and social development of young people. Our programs are learning and skills development focused, building on the strengths of each child and youth so we can help them reach their full potential with confidence and competence for life.

We are looking for a passionate, dedicated professional with an accounting designation to round out our volunteer Board of Directors and to serve as a member of our Board Finance and Risk Management Committee. Board Members play a vital role in setting policy decisions, advancing our strategic plan and acting as ambassadors for BGCSVI. The Board is structured as a governance board and operates with a number of Board committees, with each Director participating on at least one Board committee. Your current finance experience will provide the guidance and support needed to meet our strategic goals. Contribute your experience, professional expertise and creative, outside-box-thinking to help the Agency achieve its Mission, strategic goals and long-term planning beyond 2023
